P.M.A Positive Mental Attitude I know it's a Bad Brains song but it goes a long way in this business. A smile and an honest answer can be all the difference between a great dining experience and a bad one.

I was born and raised in Portland Oregon and have moved around these United States on and off my whole life, but I always return to Portland.

I spent a number of years living with my Grandmother who was in the kitchen most of the day and night. And it was her who hooked me with food preparation at 5 years old I was curing bacon.

I have minimal formal training but have come up through the ranks and held the Executive chef position for Ringside, Bon Appetit, Daily Café, and the Sous Chef position at many others.

I joined the Sodexo Team at Warner Pacific in August 2009 and became the Sous Chef in October.

It has been a pleasure working for a company with excellent structure and all the benefits of a well maintained team.
